

Digital online donations with just one click

eBill

Your Benefits

- Receive donation requests in online banking and transfer donations in the same environment
- Donate to the organization of your choice in a secure way and with just a few clicks
- Choose the donation purpose and amount freely
- Paperless, convenient and eco-friendly

Practical Functions

- Would you like to support non-profit projects on a regular basis? You can transfer recurrent donations automatically thanks to the standing approval.
- Be informed about incoming requests per e-mail and activate new charities.

Activate eBill Donations in online banking in only 3 steps:

1 Log in

Log into your bank's online banking as usual.

2 Activate

Select "eBill" in the navigation and activate the service.

3 Select

Activate those organizations you would like to directly receive donation requests from via eBill.

or directly at your charity

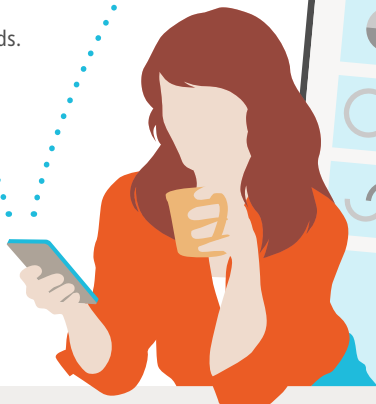

The Digital Invoice – now with eBill Donations

eBill

2.5 mn

users

eBill is now used in over
a half of all Swiss households.

100%

security

eBill offers 100% security
in payment transactions and
donations.

The solution is developed
and operated in Switzerland.

eBill

4200
companies

already rely on eBill for their invoicing – and the trend
is upwards. Including the largest health insurance funds
and insurance companies, Swiss telecommunications
providers and energy suppliers – and now also charities.

Sustainability
and donations

An eBill invoice saves resources and paper.
With the new donation function, eBill
customers will be able to actively support
charitable projects in the future.

Find out more at ebill.ch or directly at
your invoice issuer and your charity
