

With eBill, you benefit from the high security standards of the Swiss financial center.

# Invoice – So Easy.

Receive and pay invoices directly from your online banking.

**eBill is the Swiss digital invoice.** With eBill, you no longer receive your invoices by mail or e-mail, but directly into your online banking – right where you pay them. Check and pay your invoices with just a few clicks – all while maintaining full control.

More than three million Swiss people currently use eBill. Switch to the Swiss digital invoice now.
